DECISION ON PETITION  
TO WITHDRAW HOLDING  
OF ABANDONMENT

This is a decision on the petition filed January 04, 2005. The petition has been treated as a petition under 37 CFR § 1.181, to withdraw the holding of abandonment in the above-identified application. No petition fee is required.

The petition is **GRANTED**.

The application was held abandoned for the failure to timely file a response to the non-final Office action mailed on December 24, 2003. A Notice of Abandonment was mailed on August 09, 2004.

Petitioner asserts that on March 22, 2004, a response was timely filed in the above-identified application. To support this assertion, petitioner has submitted a copy of the response bearing a certificate of mailing dated March 19, 2004, and a return postcard receipt bearing the date stamp of receipt of March 22, 2004.

A review of the application file reveals the above noted responses were not matched with the application file wrapper at the time of mailing of the Notice of Abandonment. The response filed March 22, 2004, has since been located and matched with the file wrapper.

For the above stated reason, the petition is granted. The Notice of Abandonment is hereby vacated and the holding of abandonment withdrawn. The application is restored to pending status.

The application file is being forwarded to the examiner of record for consideration of the response and prompt appropriate action.

Inquiries regarding this decision should be directed to Clayton E. LaBalle at (571) 272-1594.
